Dear Fellow *Simaranhon*:

Greetings!

The Corcuera Town Fiesta Celebration held every last week of April, in honor of its patron saint, St. Joseph the Worker, is one of the most important and much awaited annual event in the island – municipality of Corcuera, Romblon. In this year's celebration, there are lined up activities to be undertaken to make the town fiesta a memorable and exciting one. Our involvement with this activity has made a significant contribution in building civic pride complementing the town's success and development. Through our donors and sponsor, Simara's fiesta continues to grow in popularity each year where every *Simaranhon* people must be proud of.

Again, due to lack of fund to support the prizes of our activities, the organizers have no other recourse but to ask for financial support from you as our benevolent sponsor/donor. Attached hereto are the tentative programs of activities that you or your company/ club/ association may consider for sponsorship. Your valuable support is an investment in the community that our townspeople will always appreciate and reciprocate in the near future.

Trusting that you will accord this matter your kindest attention and benevolence. Thank you very much and more power.

VIVA FIESTA!

Very truly yours,

MELFORD FAMINIANO MIRASOL
