**Dear Fellow *Simaranhon*:**

*Greetings!*

The beautiful island – municipality of Corcuera, Romblon will again celebrate the annual feast of our patron saint, St. Joseph the Worker. This is an occasion where all peace- loving *Simaranhon* people will celebrate their rich culture and labor of fruitful hard work,

As in previous town fiestas, the success of the celebration depends largely on the support of the *Simaranhons* especially those who have made good in their chosen career and business.

So, on this memorable occasion, we cordially invite to you to celebrate and take part in this festivities as our benevolent patron/sponsor/ advertiser in the **2010 Corcuera Town Fiesta Souvenir Program**.

Please find the attached advertisement rates together with the return slip which you shall return to the committee concerned on or before February 28, 2010. Payments may be made directly to our Treasurer, Mrs. Emilie F. Ferry and authorized representative. We will greatly appreciate your contributions/support to ensure a successful and meaningful celebration of our town fiesta

Trusting that you will accord this matter your kindest attention and benevolence and rest assured of our fondest esteem. *MABUHAY KITANG TANAN AG MARAMONG SALAMAT NAK GADOR.*
